

**Louisville Metro Council and Mayor Craig Greenberg,**

We, the organizations undersigned, call upon you to pass a resolution calling for a ceasefire in Palestine and Israel. Louisville is a compassionate and welcoming city home to people of all backgrounds, and many of our city's most iconic heroes have dedicated their lives to the cause of peace. The ongoing violence in Gaza, with a death toll over 30,000 as of this writing, is a serious tragedy that should move us to action

Louisville can add our voices to the many cities who have passed ceasefire resolutions—Atlanta, Detroit, Seattle, Oakland, and more are joining this movement each day. The leadership of the United Nations, World Health Organization, and many religious communities have also expressed their desire for a ceasefire. We urge you to add our city's name to the list.

**Other organizations, community leaders and individuals may add their names to ours by visiting <https://bit.ly/ceasefire502>.**

**Thank you,**
