Letter of Explanation: Area-Wide Rezoning & Form District Change

This is a request for Planning Commission review of a proposed area-wide rezoning for parcels in The City of Jeffersontown that are zoned R-4 Single Family Residential and M-1 & M-2 Industrial and are located in the Commerce Park primarily in a Suburban Workplace Form District and a Suburban Marketplace Corridor Form District to PEC (Planned Employment Center) Zoning along with a request for a review of a proposed area-wide Form District change for all or portions of 5 parcels from Neighborhood Form District to Suburban Workplace Form District. The proposal is to rezone forty-six parcels and amounting to approximately 94 acres of land.

The proposed rezoning's will correct some existing land use issues in the Suburban Marketplace Corridor and Suburban Workplace Form District and will allow for the flexibility of different uses including office and commercial on the edges of the Commerce Park and the change of the form district will move the boundary between Neighborhood and Suburban Workplace Districts to the existing railroad tracks which is a more appropriate transition point than the existing boundary which intrudes into an industrial section of the Commerce Park.

Stephen Rusie, AICP

**AN ORDINANCE RELATING TO A PROPOSAL TO AMEND
THE ZONING OF CERTAIN PARCELS OF LAND
LOCATED WITHIN THE JEFFERSONTOWN, KENTUCKY
COMMERCE PARK FROM VARIOUS CLASSIFICATIONS
TO PEC CLASSIFICATION AND REDESIGNATING A
FORM DISTRICT**

WHEREAS, there are forty-six parcels of land located within the Jeffersontown Commerce Park which are currently zoned R-4, M-1 & M-2 and which comprise a total of approximately 94 acres; and

WHEREAS, the City Council finds that the current zoning of these properties is inconsistent with the area in which they are located, which area is entirely commercial and industrial in nature, and that the Form District of an area is better described as Suburban Workplace; and

WHEREAS, the City Council finds that it is in the best interests of the owners of the affected parcels and in the best interests of Jeffersontown and the Jeffersontown community that these parcels be rezoned from R-4 to PEC, M-1 to PEC and M-2 to PEC, as applicable, which is the zoning classification of the properties surrounding the affected parcels; and

WHEREAS, the City Council finds that it is in the best interests of all parties that a certain area currently described as a Neighborhood Form District be reclassified to a Suburban Workplace Form District; and

WHEREAS, the City Council desires to go forward with the rezoning of the subject property,

NOW THEREFORE, IT IS ORDAINED BY THE CITY OF JEFFERSONTOWN, KENTUCKY, AS FOLLOWS:

Re: M-1 and M-2 Rezoning to PEC

Dear Property Owner,

Jeffersontown's Bluegrass Commerce Park, with the inclusion of the surrounding office complexes and retail establishments, makes up the largest diversified employment center in the Commonwealth of Kentucky. Here at City Hall in Jeffersontown we recognize that in great part, that diversity is what leads to the success of both the companies located here and the City as a whole.

You are the owner of record of property currently zoned for manufacturing use located in the midst of an area zoned Planned Employment Center (PEC). We have been able to determine that there are 43 parcels, held by some 34 different owners, which comprise over 62.29 acres of property such as yours that technically may not be in compliance with local zoning regulations.

In order to rectify the situation on your behalf, the City of Jeffersontown is proposing to move forward with a request to the Louisville Metro Planning Commission for an area wide re-zoning of much of the property currently zoned M-1 and M-2 within the Bluegrass Commerce Park to PEC. This initiative will cost you nothing and will not change your ability to continue to use your property in the same manner as you always have. In fact, it will bring you into zoning compliance if you are not so already. PEC zoning will make your property much more marketable for future development should you so choose as it permits commercial (C-1) type uses in addition to M-1 and M-2.

I invite you and your neighboring property owners to meet with me here in the Jeffersontown City Hall Council Chambers on Thursday, April 2, 2015 at 4:30 P.M. to discuss our request. I want everyone affected to be aware of the possibilities for the future growth of Jeffersontown and to be on the same page as we move forward. Please feel free to contact me, (502)736-5326, Mike Kmetz, Director of Economic Development, (502) 261-9697, or Steve Rusie, AICP with the Jeffersontown Planning and Zoning Department, (502) 267-8333 should you have any questions regarding this proposed zoning change prior to our meeting.

Sincerely,

Bill Dieruf
