Re: Revised Development Plan for “Aiken North” Subdivision

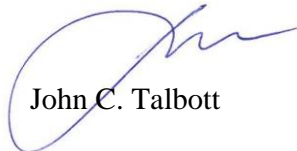

Dear Case Manager:

We are herewith filing a Revised Development Plan for the “Aiken North” Subdivision located at 16907, 16907R, 16909 and 17401 Aiken Road. The Zone Change and Subdivision plan was approved in Docket No. 21-ZONE-0001 and a Revised Development Plan was approved in #24-DDP-0039.

The proposed Revised Development Plan is for only a portion of the overall subdivision. The applicant is now proposing 214 lots. The internal roadway has been realigned to accommodate the revised layout and open space has been increased.

We look forward to answering any questions you may have regarding this development.

Sincerely,

John C. Talbott
