

WILLIAM MILLER

WORK EXPERIENCE

Zenith Logistics, Louisville , KY

Warehouseman , Sep 2001 – Present

- Handles and ships all inventory carried by Kroger retail stores. Operates heavy equipment safely and efficiently. Maintain sanitation at acceptable levels for health department inspections.

Teamsters local 89, Louisville , KY

Organizer and political ground team member, Jan 2012 – Present

- I began volunteering for the local union hall early in 2012 as an activist. As my work progressed I was employed in a "lost time capacity". Serving as an organizer and political ground team member. Over the years I've worked on many campaigns of varying levels of success. My responsibilities include direct member engagement at worksites and residences. Execution of long term and short term plans to achieve established goals. Distribution and collection of materials from and to members. Data analysis and community organizing

AFL CIO, Louisville , KY

Teaching Fellow, May 2017 – May 2017

- I ,along with other teaching fellows, lead in depth discussions in large and small group settings of the art and science organizing.

Teamsters Local 89, Louisville , KY

Union Steward , Jun 2004 – Apr 2011

- During these seven years I represented members during grievance proceedings, Served on several negotiating committees. I Learned the intricacies of high level negotiations. The art of compromise and the diligence to see deals through.

EDUCATION

Jefferson County High School, Louisville , KY

High School Diploma, May 1995

- I enjoyed a varied high school career moving from Trinity high school, to Central high school, to Manual / YPAS to Jefferson County High School. I was able to experience the best of our educational system both public and private.

AFL CIO , Charleston, SC

Organizing Institute, Jun 2016

- I was honored to attend the AFL CIO Organizing Institute. I was able to enhance my acquired skills and benefit from the long history of their experience.
