Contact Email	KieuMy.Le@louisvilleky.gov	Contact Phone	(502) 574-1689

Professional Services are services that require specialized skills, knowledge, and expertise, often provided by individuals or firms with professional qualifications.

Sole Source is when goods or services being procured are unique, specialized, or proprietary in nature, and there are no comparable alternatives available in the market.

Request Date _____ Contract Type: Professional Service Sole Source (Goods/Services)

Requested Contract Term: Start 7/1/24 End 6/30/25 One-time purchase

Title of goods or service to be acquired:

CONTRACT SCOPE and PURPOSE (Attach additional documentation if necessary)

Be specific about the work to be performed or product to be purchased including but not limited to scope of work; description of service and work product created.

HUB is the sole owner, manufacturer, and technical assistant for Zeag Parking Equipment. We have Zeag Parking Equipment at all of our garages to process transient tickets for parking. Zeag Parking Equipment processes credit card payments securely, cash payments and validations. HUB has a service tech that services their equipment. Our contract covers that worker, preventative maintenance, operating costs, and their help desk support.

Non-Competitive Purchase / Contract Request Form

JUSTIFICATION FOR NON-COMPETITIVE PURCHASE / CONTRACT (Attach additional documentation if necessary)

Technical Justification - Explain why the requested goods or services can only be provided by the selected supplier. Include any technical specifications, unique features, or specialized expertise that make the supplier the only viable option.

HUB is the sole proprietor of their equipment and software. There is no other software that will work with these machines, nor supplier where we can purchase this equipment.

Operational Necessity - Describe how the requested goods or services are critical to the operation. Explain any potential disruptions or negative impacts that could arise from using an alternative supplier.

These machines are in all of our garages and process payments for our parking services. They are integral to our operations. Any disruption to this equipment means immediate loss of revenue.

Market Research - Provide the results of the market research conducted to determine if alternative suppliers are available. Include a summary of the research process, the suppliers considered, and the reasons why these alternatives were deemed unsuitable.

There are alternate suppliers of similar equipment but none that work with our existing equipment than HUB.

Cost Considerations - Where it is reasonable to do so, departments should make all efforts to negotiate and validate that pricing meets market expectations and is advantageous to Metro. Describe how the cost of services offered were determined to be reasonable. Detail any cost savings, if applicable, and how these savings compare to potential alternative suppliers.

We have had a sole source contract with HUB for years because of the nature of parking equipment. It has a long shelf life, service to the proprietary machines has to be handled by HUB technicians that specialize in this machinery and the software that it requires to run is specifically provided only by HUB.

Previous Relationship - Note any known pre-existing relationship or business history with the supplier.

AUTHORIZATIONS: I confirm that the information contained herein is accurate and complete to the best of my knowledge.

Based upon the review of information contained herein, competition is not feasible and the request for purchase / contract is approved.
