

An aerial photograph showing a large construction site. A yellow line outlines a long, narrow area that runs diagonally from the top left towards the bottom right. This area appears to be a dirt road or a cleared path. To the left of this highlighted area, there is a building with a red roof and several parked vehicles. To the right, there is a large, flat, paved area, possibly a parking lot or a road. The surrounding area is mostly green with trees and grass. A yellow arrow points from the text box to the highlighted area.

Yellow Highlighted Area is
"First Street" that was never
constructed and is proposed
for closing
