

ORDINANCE NO. 155, SERIES 2015

AN ORDINANCE AMENDING CHAPTER 160 OF THE LOUISVILLE METRO CODE OF ORDINANCES TO EXPAND THE BOUNDARIES OF THE LOUISVILLE DOWNTOWN MANAGEMENT DISTRICT.

Sponsored By: COUNCILMEMBER DAVID TANDY

WHEREAS, KRS 91.750 – 91.762 (the “Act”) authorizes the Council to establish within Louisville Metro one or more management districts for the purpose of providing and financing economic improvements that specifically benefit privately-owned property within such management districts;

WHEREAS, Chapter 160 of the Louisville Metro Code of Ordinances established the Louisville Downtown Management District (the “District”) pursuant to the Act;

WHEREAS, on August 21, 2015, the Louisville Downtown Partnership presented to the Mayor a petition (“Petition”) requesting that the boundaries of the District be expanded to include three contiguous areas located north, west, and south of the current boundaries of the District as shown in Exhibit A hereto (the “District Expansion Area”);

WHEREAS, the Petition was signed by 11 property owners within the District Expansion Area (“Owners”), which Owners constitute 47.8% of the number of owners of real property within the District Expansion Area and the value of the properties owned by the Owners equals 67% of the total assessed value of all benefited real property within the District Expansion Area;

WHEREAS, the Mayor has determined that the Petition satisfies the requirements of the Act and has therefore forwarded the Petition to the Council for the

adoption of an ordinance expanding the boundaries of the District to include the District Expansion Area as requested by the Petition; and

WHEREAS, the Council, having considered the Petition and having conducted a public hearing on the expansion of the District, after causing notice of the hearing and a summary of the plan for the District Expansion Area to be published twice in the *Courier-Journal* in accordance with KRS Chapter 424, and having mailed a copy of this Ordinance and notice of the public hearing by first-class mail to all property owners within the District Expansion Area, the Council has determined that the expansion of the boundaries of the District to include the District Expansion Area will be advantageous to Louisville Metro;

BE IT ORDAINED BY THE LEGISLATIVE COUNCIL OF THE LOUISVILLE/JEFFERSON COUNTY METRO GOVERNMENT (THE COUNCIL) AS FOLLOWS:

SECTION I: That Attachment A referenced in Louisville Metro Code of Ordinances Section 160.01 shall be deleted and replaced in its entirety by the map attached hereto as Exhibit A, which map shall be incorporated by reference and be made a part of Louisville Metro Code of Ordinances Chapter 160 as if set out fully therein.

Louisville Downtown Management District 2015 Budget & Economic Improvement Plan

Introduction

As an integral part of the Louisville Downtown Partnership, the Louisville Downtown Management District (LDMD) promotes, markets and advances the economic vitality of Downtown Louisville by making the Downtown experience the best it can be for businesses, workers, visitors and residents. LDMD pursues its mission by providing exemplary services directed at the 81-block commercial core of Downtown Louisville. In the past 22 years, LDMD has been a key part of the success of Downtown, enhancing services furnished by local government and making Downtown a more vibrant place.

As Kentucky's only Business Improvement District, LDMD services are funded by incremental assessments of properties that are not governmental and are located within the perimeters of the Management District, the boundaries which are shown on the map on the next page. Additional revenue is secured through contracts for services, the LDMD Downtown Partner Program, as well as advertising and sponsorship programs and project-specific fundraising. The core benefits LDMD provides boost Downtown commerce and provide an exceptional Downtown experience for businesses, residents and visitors; one that is clean, safe, fun and singular.

Downtown Louisville now boasts nearly 70,000 workers, 5,000 residents and over 14 million visitors each year. LDMD provides outstanding "on street" services, as well as countless community enhancements. Our commitment to excellence is one of the solid cornerstones of Downtown Louisville's significant growth and positive momentum into the future. The continued growth and economic vibrancy of Downtown is critical to the continued growth and economic vibrancy of our community and region. Our partnership with the Downtown Development Corporation and both organizations' participation in the formation of the Louisville Downtown Partnership is an important next step in ensuring that future. We expect great things from Downtown in 2015, as well as from our staff and Ambassador team.

Management and Administration

Throughout the past year, the Louisville Downtown Partnership and LDMD have continued to improve internal processes in order to provide the most efficient, transparent and responsible services possible. A new financial reporting system was implemented that better represents the financial information of the organization and better ties private donations to projects. The employee handbook and other policies have been updated to reflect current industry best practices.

With the Board's approval, LDMD has met with property and business owners in the Main and Market corridor just west of the current BID boundaries to explore expansion towards 12th Street. This connects current development with the rest of West Main and Market and aids in breaking down the 9th Street divide. The expansion process will continue through the end of 2014 and will likely be finalized in the first quarter of 2015.

Services

Marketing, Communication and Events

Marketing, communications and events are some of the core functions of LDMD. In the past year, a variety of programs were used to engage stakeholders and visitors Downtown. These efforts include small urban interventions such as handing out peanuts on the Bat's opening day, professional sidewalk chalk drawings, street musicians and artists - all designed to enhance the Downtown ambiance both during large events and day-to-day. In addition, key partnerships with Louisville Public Media were developed throughout the year as supplemental marketing during key events.

LDMD also provided vital support to a number of other Downtown events through increased ambassadorial services, lending of event equipment and logistical coordination. LDMD directly ran events in targeted areas of Downtown as a way to attract visitors, support ancillary retail and provide benefits to Downtown workers.

Communication efforts are critical both to inform the community about upcoming events and to notify stakeholders of road closures and other issues that might affect their daily business. The Flash email blast provides updates on Downtown events and the Virtual Block Watch continues to be a critical tool in alerting people to detours, upcoming construction, runs/walks and other route changes in Downtown. A new web site was also launched, which will continue to be expanded and populated with information on Downtown, upcoming events and ways to do business Downtown.

Physical Improvements and Safety

LDMD works to improve the physical environment of Downtown on a daily basis. The Ambassadors provide an enhanced program of cleaning that picks up trash, power washes, kills weeds and takes immediate action on issues affecting the physical environment. Ambassadors also engage panhandlers, provide safety escorts and work with Louisville Metro Police on criminal issues. Ambassadors also interact with stakeholders to provide information on Downtown, visitor assistance and staff the Informational kiosk stationed at key intersections in the District.

Some of the services provided include but are not limited to:

- 16 Ambassadors – Over 27,000 staff hours of on-street services throughout the year
- 150,000 lbs. of trash collected from daily litter pickup throughout the district
- 8,600 graffiti tags removed
- Power Washing
- Weed Abatement
- Panhandling Outreach
- Motorist Assistance
- Safety Escorts
- Snow removal at crosswalks

Special Beautification Programs

In addition to its other services, LDMD also provides supplemental beautification programs in conjunction with private sector partners. Flower pots throughout the core area dramatically enhance the street and replanting dead or missing trees enhances air quality, reduces the urban heat island effect and mitigates storm water runoff. The new Porous Pave project fills tree wells with a walkable surface, made from recycled tires, that still catches storm water, all while being flexible enough to prevent future trip hazards. LDMD's beautification projects both enhance the sense of place and provide sustainable solutions for Downtown challenges.

- 332 trees planted and maintained through MSD grants and private sector partnerships
- 191 Flower pots planted and maintained
- Expansion of beautification plantings into 37 tree wells
- Implementation of Porous Pave Tree Well Project for Sustainable Tree Wells

2. Boundaries. The boundaries of the proposed District expansion shall be those described in Exhibit "A" attached hereto, which is made a part of this petition by reference.

3. Authority. The expansion area, shown in Exhibit A, shall be fully and equally part of the District. The District's authority is unchanged and the District shall be authorized to undertake economic improvements pursuant to the Act that specially benefits "Property" (as defined by the Act) within the boundaries of the District. - a) The actual cost of economic improvements shall be established by an annual detailed budget which shall be prepared by the board of directors of the District and adopted by the Louisville Metro Council.
- b) The cost of the proposed economic improvements shall not exceed \$0.0831 per \$100 of assessed value of individual properties.
- c) The ordinance establishing the District to be adopted by the Metro Council shall include a provision which bases increases in the annual budget for improvements on inflation or new growth, as required by 90 SB 224.

OFFICE OF THE MAYOR
LOUISVILLE, KENTUCKY

GREG FISCHER
MAYOR

August 21, 2015

President David W. Tandy
Louisville Metro Council
601 West Jefferson Street
Louisville, KY 40202

President Tandy,

The Louisville Downtown Management District has had a direct impact on the development and ongoing success of Downtown. As such, property owners in the emerging area west of 9th Street have shown interest in expanding the District from 9th Street to 12th Street. We recognize this as a great opportunity to expand the clean, safe, and ambassadorial services to this area supporting the investment and growth already taking place.

Enclosed please find copies of signed petitions of property owners in the area representing 47.8% of the total number of owners and 67% of the assessed value of properties within the proposed expansion area. Having received the required petitions from the property owners in excess of the amount required by KRS 91.754, I request that Metro Council enact an ordinance to approve the proposed expansion of the Louisville Downtown Management District.

Thank you for your consideration.

Sincerely,

Greg Fischer
Mayor

LOUISVILLE DOWNTOWN PARTNERSHIP

August 21, 2015

Honorable Mayor Greg Fischer
Metro Hall
527 West Jefferson Street
Louisville, KY 40202

Hon. Mayor Greg Fischer,

The Louisville Downtown Partnership is pleased to deliver to you petitions from property owners requesting the expansion of the Louisville Downtown Management District.

Last year property owners between 9th and 12th Streets requested that the Partnership consider expansion of the District to support the significant investment taking place and to help bridge the 9th Street Divide. The property owners in the expansion area were overwhelmingly supportive. The enclosed petitions represent 47.8% of the owners of the real property and 67% of the assessed value of property within the proposed expansion area, which exceed the minimum requirements set forth in KRS 91.754 to expand the District.

The Downtown Partnership looks forward to providing services in this growing area and request that you recommend Metro Council to enact legislation approving the proposed expansion.

Sincerely,

Rebecca Matheny
Executive Director
