The JFCS MOSAIC Awards celebrate the diversity and accomplishments of these individuals as they help build the City of Louisville and the Commonwealth of Kentucky into a brighter, more inclusive place. The 2025 JFCS MOSAIC Honorees were nominated by community members and selected through a rigorous selection process by the JFCS MOSAIC Committee. This year, we were proud to get a record number of nominations! Nominations are open to the public and open from September 1st to October 15th every year. Meet this years JFCS MOSAIC Honorees:

Re: Public Disclosure of Exempt Organization Income Tax Return(s)

The attached copy of your organization's Exempt Organization Income Tax Return(s) is to be used as your Public Disclosure Copy. As you may be aware, the income tax law now requires tax exempt organizations to provide and/or make available copies of their income tax returns for the most recent three years to any person requesting them. In addition, the organization must provide and/or make available a copy of its Application for Recognition of Tax Exempt Status (Form 1023) if the organization had a copy in its files in July 1987 or later.

All information in the Exempt Organization Income Tax Return(s) and Form 1023 must be provided, except donors' names may be masked on Schedule B, if applicable.

We have prepared the attached "Public Disclosure" copy of the Exempt Organization Income Tax Return(s) for your organization to use in making copies when requested, and we recommend that you assign someone on your staff to establish a procedure for addressing requests for copies. The IRS may impose significant penalties when organizations do not provide copies of their Exempt Organization Income Tax Return(s) and Form 1023.

Should you have questions regarding the public disclosure requirements, please feel free to call us.

Yours very truly,

This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

Independent Auditors' Report

To the Board of Directors
Jewish Family & Career Services of Louisville, Inc.
Louisville, Kentucky

Opinion

We have audited the accompanying financial statements of Jewish Family & Career Services of Louisville, Inc. (the "Agency"), which comprise the statements of financial position as of June 30, 2023 and 2022, the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Jewish Family & Career Services of Louisville, Inc. as of June 30, 2023 and 2022, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Agency and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with GAAP; and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Agency's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Agency's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Agency's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Notes to Financial Statements

Jewish Family & Career Services of Louisville, Inc.

June 30, 2023 and 2022

Note A--Nature of Organization

Founded in 1908 as a non-profit organization, Jewish Family & Career Services of Louisville, Inc. (the "Agency") expands possibilities for each person and every family to meet life's challenges with confidence. Guided by Jewish values, the Agency provides services to all in Greater Louisville in the core areas of career services, counseling services, family strengthening, Jewish life, Klein Older Adult Services, and the Navigate Enterprise Center. A majority of revenue and support is derived from grants and gifts from donors to the Agency.

Note B--Summary of Significant Accounting Policies

Basis of Accounting--The *Accounting Standards Codification* as produced by the Financial Accounting Standards Board is the sole source of authoritative generally accepted accounting principles ("GAAP") for nonprofit entities.

Measure of Operations--The Agency's change in net assets from operations on the statements of activities include all revenues, support and expenses that are an integral part of its program and supporting activities, net assets released from donor restrictions to support operating expenditures and other funds to support current operation activities. The measure of operations excludes various government programs created to combat the impact of the COVID-19 pandemic on business, such as the Employee Retention Tax Credit and the Paycheck Protection Program loan forgiveness.

Donor-Imposed Restrictions--The Agency records and reports its assets, liabilities, net assets, revenues and expenses based on the existence or absence of donor-imposed restrictions.

The Agency reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restriction. Contributions received with donor-imposed restrictions that are met in the same year in which the contributions are received are classified as net assets without donor restrictions.

The Agency reports gifts as unrestricted support unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support. Absent explicit donor stipulations about how long those long-lived assets must be maintained, the Agency reports expirations of donor restrictions when the long-lived assets are acquired.

Funds of perpetual duration include those contributions and other inflows of assets whose use by the Agency is limited by donor-imposed stipulations that neither expire by passage of time nor can be fulfilled or otherwise removed by actions of the Agency.

Note B--Summary of Significant Accounting Policies--Continued

Cash and Cash Equivalents--The Agency considers all highly-liquid investments with maturities when purchased of three months or less to be cash equivalents.

Accounts Receivable--Accounts receivable are stated at the amount management expects to collect from outstanding balances. Management provides for uncollectible amounts through a charge to expense and a credit to an allowance for uncollectible accounts receivable based on its assessment of the current status of individual accounts. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the allowance and a credit to accounts receivable. As of June 30, 2023 and 2022, management estimated the allowance for uncollectible accounts to be \$1,316 for both years.

Microenterprise Loans Receivable--Microenterprise loans are recorded as of the date the loan is made in the amount of the loan awarded. Repayments of the loans may require the Agency to refund these amounts to the grantor agency. Management recorded an allowance for the loan portions of this grant that may be refunded of \$54,271 and \$58,000 as of June 30, 2023 and 2022, respectively.

Pledges Receivable--Unconditional promises to give that are expected to be collected within one year are recorded at their net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of estimated future cash flows. The discounts on those amounts are computed using a risk-free interest rate applicable to the year in which the promise is received. Amortization of the discount is included in contributions on the accompanying statements of activities.

Management has estimated that no allowance for uncollectible pledges was necessary as of June 30, 2023 and 2022.

Property and Equipment--Property and equipment purchased by the Agency is stated at cost. Property and equipment donated to the Agency is stated at estimated fair value at the date of donation. Depreciation of property and equipment is provided on the straight-line method over the estimated useful lives of the assets. Estimated useful lives are as follows:

Building	40 years
Furniture and fixtures	10 years
Office equipment	2-5 years
Vehicles	5 years

The cost of normal repairs and maintenance is charged to operating expense as incurred. Acquisitions of property and equipment in excess of \$500 that meet the capitalization requirements are capitalized. Depreciation expense for the years ended June 30, 2023 and 2022, was \$105,248 and \$106,068, respectively.

Note B--Summary of Significant Accounting Policies--Continued

Impairment of Long-Lived Assets--Management of the Agency reviews for the impairment of long-lived assets whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. An impairment loss would be recognized when estimated future cash flows expected to result from the use of the asset and its eventual disposition is less than its carrying amount. There were no charges for impairment of long-lived assets during 2023 and 2022.

Refundable Advances--Refundable advances consist of funds held as of June 30, 2023, for assistance and programs for the year ending June 30, 2024.

Valuation of Investments and Income Recognition--Investments in marketable securities with readily determinable fair values and all investments in debt securities are reported at their fair values. Purchases and sales are recorded on a trade-date basis. Realized and unrealized gains and losses are included in the statements of activities. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Donated investments are recorded at their fair market value as of the date of the donation. Donated investments are recorded as being with or without donor restrictions based on the existence or absence of such restrictions.

Investments are made according to the investment policies adopted by the Agency's Board of Directors. These guidelines outline the allowable securities the Agency can invest in and authorize retaining an investment advisor to assume investment management functions.

Fair Value of Financial Instruments--The carrying amounts for assets and liabilities approximate their fair values due to their short maturity.

Income Taxes--The Agency qualifies as a tax-exempt organization under Section 501 (c)(3) of the Internal Revenue Code ("IRC"); therefore, no provision for federal or state income taxes has been made. Although the Agency is exempt from income taxes, any income generated from activities unrelated to its exempt purpose is subject to tax under IRC Section 511. There was no unrelated business income for the years ended June 30, 2023 and 2022.

GAAP prescribes a comprehensive model for how an organization should measure, recognize, present and disclose in its financial statements uncertain tax positions that an organization has taken or expects to take on a tax return. There was no impact on the Agency's financial statements as a result of the implementation of these accounting principles.

Allocation of Functional Expenses--Costs of providing various programs and other activities are summarized on a functional basis in the statements of functional expenses. Accordingly, certain costs have been allocated among the program and supporting services benefited, based on the personnel time utilized for the related activities.

Note B--Summary of Significant Accounting Policies--Continued

Revenue Recognition--Revenues are recognized when services are provided and expenses related to revenues are recorded upon completion of the event to which they are applicable regardless of the timing of the related cash flows.

Government and Private Grants--Support funded by grants is recognized as the Agency performs the contracted services or incurs outlays eligible for reimbursement under the grant agreements. Grant activities and outlays are subject to audit and acceptance by the granting agency and, as a result of such audit, could be adjusted.

In-Kind Contributions--The Agency recognizes support and expense for contributed goods and services at the fair value of those goods and services, provided those goods and services create or enhance non-financial assets or require specialized skills which are provided by individuals possessing those skills and would typically need to be purchased if not provided by donation. These contributions consist primarily of donated meeting space, services and food.

Contributions--Contributions are generally recorded upon receipt. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of the amounts expected to be collected. Conditional promises to give are not included as support until such time as the conditions are substantially met. All contributions are considered available for unrestricted use unless specifically restricted by the donor.

Use of Estimates--The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and reported amounts of revenues, support and expenses during the reporting period. Actual results may differ from those estimates.

Subsequent Events---Subsequent events for the Agency have been considered through October 24, 2023, the date of the independent auditors' report, which represents the date the financial statements were available to be issued.

Note C--Cash and Cash Equivalents

The Agency maintains its cash balances and cash equivalents in several commercial banks, which balances may, at times, exceed the \$250,000 coverage provided by the Federal Deposit Insurance Corporation ("FDIC"). Cash balances and cash equivalents at certain banks exceeded this FDIC coverage by \$1,513,929 and \$1,168,050 at June 30, 2023, and 2022, respectively.

Cash and cash equivalents consisted of the following:

	June 30	
	2023	2022
Unrestricted cash	\$ 1,702,087	\$ 1,599,531
Microenterprise program (with donor restrictions)	320,125	307,289
Golf account	24,702	1,722
	<u>\$ 2,046,914</u>	<u>\$ 1,908,542</u>

Note D--Investments and Fair Value Measurement

GAAP provides a framework for measuring fair value, and expand disclosures required for fair value measurements. They also establish a fair value hierarchy that prioritizes observable and unobservable inputs used to measure fair value into three broad levels. These levels, in order of highest to lowest priority, are described below:

Level 1 – Quoted prices (unadjusted) in active markets that are accessible at the measurement date for identical assets or liabilities.

Level 2 – Observable inputs other than Level 1 such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

Level 3 – Inputs to the valuation methodology are unobservable but sufficient to the fair value measurement.

Following is a description of the valuation methodologies used for assets at fair value. There have been no changes in the methodologies used to determine fair value during 2023 or 2022:

Government Securities--Value is based on the present value of its expected future cash flows utilizing the appropriate discount interest rates.

Mutual Funds--Valued at the net asset value ("NAV") of shares held by the Agency.

June 30, 2023 and 2022

Note D--Investments and Fair Value Measurement--Continued

Corporate Bonds--Valued at the closing price reported at year end on the active market on which the individual corporate obligations are traded.

Corporate Stocks--Valued at the closing price reported at year end on the active market on which the individual securities are traded.

Money Market Funds--Valued at the net asset value ("NAV") of shares held by the Agency.

Alternative Investments--Valued at the NAV of the units of participation in the fund.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Agency believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level within the fair value hierarchy the Agency's investments:

Fair Value as of June 30, 2023			
	Level 1	Level 2	Total
Government securities	\$ 178,533		\$ 178,533
Corporate bonds	555,486		555,486
Corporate stocks	1,465,579		1,465,579
Mutual funds	1,832,524		1,832,524

Note D--Investments and Fair Value Measurement--Continued

A tabulation showing restrictions on various investments is as follows:

	Year Ended June 30	
	2023	2022
Without donor restrictions investment funds	\$ 1,695,101	\$ 1,610,120
Endowment funds with donor restrictions	1,365,111	1,284,895
Anonymous donated fund (restriction expires 2050)	1,312,775	1,236,675
	<u>\$ 4,372,987</u>	<u>\$ 4,131,690</u>

The unrealized gains (losses) on investments during 2023 and 2022 were \$237,184 and (\$1,139,036), respectively. Investment expenses were \$35,017 and \$28,764 for the years ending 2023 and 2022, respectively.

Investment securities are exposed to various risks, such as interest rate risk, market risk and credit risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would result in material changes in the fair value of investments and net assets of the Agency.

Note E--Employee Retention Credits

The Coronavirus Aid, Relief and Economic Security Act (the "CARES Act") established a refundable payroll tax credit for retaining employees and continuing to pay compensation to them. The credit is also known as the Employee Retention Credit ("ERC"). The 2021 Consolidations Appropriations Act introduced changes to the ERC to allow companies who applied for, and received, Paycheck Protection Program ("PPP") loan proceeds to apply for employee retention credits for wages not paid with PPP funds. The Organization applied for \$531,021 of employee retention credits. The employee retention credit is included as a receivable on the statements of financial position.

Note F--Navigate Enterprise Center

The Agency administers grant funds relating to the Navigate Enterprise Center. These grant funds are used to make microenterprise loans to eligible low-income entrepreneurs for the start-up of a small business or for the expansion or stabilization of an existing small business, in accordance with the grant guidelines. The maximum loan amount that can be awarded to an individual is \$15,000. As of June 30, 2023 and 2022, there were unspent funds of \$320,125 and \$307,289, respectively, which are included in net assets with donor restrictions.

Building and furnishings	2,957,916	2,957,916

Less accumulated depreciation	2,189,079	2,096,297
	<u>\$ 1,686,015</u>	<u>\$ 1,759,411</u>

Note H--Deferred Compensation Plan

The Agency established a deferred compensation plan for key employees, funded with life insurance policies, whereby the Agency is both the owner and beneficiary of the insurance policies. The amount of the liability for this plan is equal to the cash surrender value of the respective life insurance policies. There were no premium expenses for the years ended June 30, 2023 and 2022 as the policies were paid in full.

Note I--Note Payable

The Agency has an unsecured note payable to the Community Foundation of Louisville for \$125,000, bearing interest at 2% per annum and matures in July 2024. Terms of this note require the Agency to maintain minimum net assets without donor restrictions of \$1,000,000, which the Agency has complied with.

Note J--Paycheck Protection Program Loan

The Agency obtained U.S. Small Business Administration ("SBA") Paycheck Protection Program Loans ("PPP") of \$312,200 in March 2021. The PPP loan, when used for certain expenses (payroll, retirement contributions, health insurance costs, rent and utilities), can be fully forgiven.

Note J--Paycheck Protection Program Loan--Continued

In June 2020, the American Institute of Certified Public Accountants and the Financial Accounting Standards Board provided technical guidance which stated that the proceeds from SBA PPP loans could be accounted for as either debt or a government grant. Management elected to account for both of these unique lending vehicles as debt.

In November 2021, the Agency was notified that the PPP loan for \$312,200 had been forgiven by the SBA. Therefore, the total amount of this PPP loan has been recognized as non-operating income in the statement of activities for the year ended June 30, 2022.

Note K--Net Assets with Donor Restrictions--Continued

Endowments--These consist of amounts for which the donor has stipulated that the corpus be invested in perpetuity and only the income be made available for program operations in accordance with donor restrictions. Generally, the donors of these assets permit the Agency to use all or part of the income earned on related investments for general purposes.

As required by GAAP, net assets associated with the endowments are classified and reported based on the existence of donor imposed restrictions. This endowment is accounted for in net assets with donor restrictions.

The Agency follows the Uniform Prudent Management of Institutional Funds Act ("UPMIFA"), the provisions which apply to endowment funds. As such, the Agency is required to act prudently when making decisions to spend or accumulate donor restricted endowment assets and in doing so to consider a number of factors including the duration and preservation of its donor restricted endowment funds.

The Agency has interpreted UPMIFA as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment fund, absent explicit donor stipulations to the contrary. The Agency classifies as net assets with donor restrictions the original value of gifts donated to the permanent endowment and accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund.

The Agency has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by this endowment while seeking to maintain the purchasing power of the endowment assets. Endowment assets include those assets of donor-restricted funds that the Agency must hold in perpetuity. The Agency expects its endowment funds, over time, to provide an average rate of return of approximately 3.5% annually. Actual results in any given year may vary from this amount.

To satisfy its long-term rate-of-return objective, the Agency relies on a total return strategy in which investment returns are achieved through both capital appreciation and current yield. The Agency targets diversified asset allocations that place a greater emphasis on equity-based investments to achieve its long-term objectives within prudent risk constraints.

Note L--Retirement Plan

The Agency provides a Section 403(b) defined contribution plan (the "Plan") which was established to replace the defined benefit pension plan. Employer contributions to the Plan are based on a percentage of the eligible employee's gross wages, and these contributions are fully vested after a period of three years. The Agency contributed \$63,068 and \$60,898 to the Plan for the years ended June 30, 2023 and 2022, respectively. Forfeitures of \$36,623 were utilized for the June 30, 2022 employer contribution. There were no forfeitures utilized for the June 30, 2023 employer contribution. Plan participants may make contributions to the Plan as well, and participant contributions are fully vested at all times.

In-kind contributions were valued using estimated average U.S. prices of identical or similar products under a "like-kind" methodology. No in-kind contributions were restricted by donors. The Agency does not sell donated in-kind gifts and only uses donated products for its own program services.

Note O--Liquidity and Availability of Financial Assets

The Agency's major sources of support are fees for services, support, and investment income. Even though support can fluctuate significantly from year to year, the Agency has a strong cash position to cover its monthly financial obligations.

1. **Please provide the nonprofit's FY 2025 Projected Budget. The nonprofit provided two financial statements, which are okay and can remain in the NDF packet. See attached**
1. **2. Section 5.A. of the NDF Application states the event is a ticketed event that is open to the public. That is accurate. It is a ticketed event and open to everyone, meaning anyone can buy tickets. We did not buy tickets. We are requesting money for catering. I am not really clear with the issue here. Would you clarify? Is it not considered a public event if tickets are purchased? If I need to pull this before appropriations, will it still be considered on the 12th. Please call me on my cell. I am not in the office today. 502-407-2797**

3. **Please provide the flyer relating to this event and will D08 be receiving any tickets for this event? If yes, please provide the names of the people who will be receiving the tickets. Thanks. LaTonya, there are no tickets provided or accepted by D8. We were not requested to fund seats.**

We are listed as a sponsor on the flyer for the catering funds we are donating.
