1. I am John Peterson owner/representative of the property located at 2041 Shady Grove Way, Louisville, KY 40218, and as such I represent the owner and operator of the Bardstown Forest Apartments located off of Buechel Bank Road across from the St. Bartholomew Church in Louisville, Kentucky.

2. We, as the long-time owners of the Bardstown Forest Apartments, enthusiastically consent and approve of the moving image sign waiver application by the St. Bartholomew Church on its grounds along Buechel Bank Road.

3. I am further aware that the Planning and Design office has certain concerns regarding the sign with respect to the well-being of the tenants living in Bardstown Forest Apartments. Please understand that we have been well informed of the proposed sign and state emphatically that it will not in any way negatively affect the Bardstown Forest Apartments property nor the lifestyle or welfare of our tenants.

4. St. Bartholomew Church asked for permission to interview our tenants and we respectfully refuse, because in this instance there is no need for this action. We know our tenants, our property, and our business better than anyone. And in this instance, our interest is the same as our tenants'; we certainly would not act contrary to this interest. As the property owners and operators of the Bardstown Forest Apartments, we have the most to lose regarding the marketability of our apartments.
