WITNESSETH:

WHEREAS, the Metro Government is in need of certain professional services with respect to project management of the New Dixie Highway (TIGER) Project; and

NOW, THEREFORE, it is agreed by and between the parties hereto as follows:

I. SCOPE OF PROFESSIONAL SERVICES

B. Consultant, while performing the services rendered pursuant to this Agreement, may incidental thereto utilize agents or employees of such Consultant. However, such use must be documented in the monthly invoice submitted for those services rendered.

C. If from time to time Consultant needs to utilize the records or personnel of the Metro Government relative to performing the services required of this Agreement,

then Consultant shall notify the proper agent of the Metro Government of this need and arrangements may be made for that contingency. However, at no time shall the Metro Government make available its resources without the full consent and understandings of both parties.

D. The services of Consultant shall include but not be limited to the following:

A. This is a professional service contract which shall begin September 3, 2018 and shall continue through and including August 30, 2019.

B. This Agreement may be terminated by submitting thirty (30) days' written notice to the non-terminating party of such intent to terminate. This Agreement may also be terminated by any party, without notice to the non-terminating party, because of

fraud, misappropriation, embezzlement or malfeasance or a party's failure to perform the duties required under this Agreement. A waiver by either party of a breach of this Agreement shall not operate or be construed as a waiver of any subsequent breach.

C. In the event of termination, payment for services complete up to and including date of termination shall be based upon work completed at the rates identified in this Agreement. In the event that, during the term of this Agreement, the Metro Council fails to appropriate funds for the payment of the Metro Government's obligations under this Agreement, the Metro Government's rights and obligations herein shall terminate on the last day for which an appropriation has been made. The Metro Government shall deliver notice to Consultant of any such non-appropriation not later than 30 days after the Metro Government has knowledge that the appropriation has not been made.

IV. EMPLOYER/EMPLOYEE RELATIONSHIP

It is expressly understood that no employer/employee relationship is created by this Agreement nor does it cause Consultant to be an officer or official of the Metro Government. By executing this Agreement, the parties hereto certify that its performance will not constitute or establish a violation of any statutory or common law principle pertaining to conflict of interest, nor will it cause unlawful benefit or gain to be derived by either party.

V. RECORDS-AUDIT

Consultant shall maintain during the course of the work, and retain not less than five years from the date of final payment on the contract, complete and accurate records of all of Consultant's costs which are chargeable to the Metro Government under this Agreement; and the Metro Government shall have the right, at any

This Hold Harmless and Indemnification Clause shall in

no way be limited by any financial responsibility or insurance requirements and shall survive the termination of this Contract.

CONTRACT SCOPE and PURPOSE (Attach additional documentation if necessary)

Amendments: Describe the circumstances under which a time extension or scope change is needed.

New: Be specific about the work to be performed / product to be purchased including but not limited to: scope of work; description of service; work product created; why the service / product is necessary; and benefit to Louisville Metro Government.

Project Management of The New Dixie Highway (TIGER) Project. Scope includes:

- In-person meetings twice each month with KYTC Construction Project Manager, Communications Team, Design/Construction Inspection Team (HDR), Interested Council Members, and Metro Project Team. These meetings will be consolidated meetings when feasible.
- Review/approval of HDR invoices and MAC construction Change Order Requests
- Response to project inquiries
- Coordination of project communications plan
- Project liaison with FHWA, KYTC, KIPDA, TARC, MSD, and other agencies
- TIGER reporting to FHWA (quarterly, annual, and special)
- other project management duties as requested by Louisville Metro

Services will be billed at \$135 per hour and \$0.55/mile - NTE \$42,200 in total cost through August 2019 (see attached)

JUSTIFICATION FOR NON-COMPETITIVE GOOD/SERVICE (Attach additional documentation if necessary)

Provide justification including but not limited to: a description of the unique features that prohibit competition; research conducted to verify the vendor as the only known source (sole source); why the service (PSC) is not feasible to be provided by LMG staff or expertise does not exist; known compatibility, proprietary and/or timing issues.

AECOM will provide Project Management duties for The New Dixie Highway (TIGER) Project given the specific requirements associated with the award of the federal TIGER grant. AECOM has in-depth TIGER Grant experience and established relationships with FHWA, KYTC, TARC, and HDR which provides a unique skill set which mitigates the project risks through the construction. Louisville Metro staff does not have the available time, capacity or TIGER Grant experience to take on the project management duties of The New Dixie Highway project. FHWA, KYTC, and TARC are all supportive of AECOM assuming this role throughout this contract and serving as the Project Manager. Near the end of this one year contract, Louisville Metro will evaluate the services provided and determine if a renewed annual contract is warranted to provide project management through the completion of the New Dixie Highway TIGER project.

AUTHORIZATIONS: Per KRS 45A.380, I have determined that competition is not feasible for the above described good / service and there is a single source within a reasonable geographical area of the good / service to be procured; or the resulting contract is for the services of a licensed professional, technician, artist, or other non-licensed professional service.
