

Todd Warren
MPI Printing

My name is Todd Warren, Owner of MPI Printing.

MPI is a 2nd generation commercial printing company located at the corner of 2nd and Jefferson Downtown.

I am currently on the Louisville Downtown Rotary Board of directors and former board member for The de Paul School and the University of Louisville Family Business Center and also active Parishioner at Our Lady of Lourdes Church.

My wife Beth and I have 4 kids ages from 14 to 22 years old.

After helping spear head the "Downtown Lou Needs You" initiative along with Robbie Valentine, I felt there were some areas where downtown can improve and that's why I'm honored to be considered to be on the LDMD board.

Thank you,
Todd
