

**Binding Elements**  
**CASE NO. 14ZONE1057**  
**Re-Zoning Multi-Family Residential (Tract 2)**

1. The development shall be in accordance with the approved district development plan, all applicable sections of the Land Development Code (LDC) and agreed upon binding elements unless amended pursuant to the Land Development Code. Any changes/additions/alterations of any binding element(s) shall be submitted to the Planning Commission or the Planning Commission's designee for review and approval; any changes/additions/alterations not so referred shall not be valid.
2. Construction fencing shall be erected when off-site trees or tree canopy exists within 3' of a common property line. Fencing shall be in place prior to any grading or construction to protect the existing root systems from compaction. The fencing shall enclose the entire area beneath the tree canopy and shall remain in place until all construction is completed. No parking, material storage or construction activities are permitted within the protected area.
3. Before any permit (including but not limited to building, parking lot, change of use, site disturbance, alteration permit or demolition permit) is requested:
  - a. The development plan must receive full construction approval from Louisville Metro Department of Codes and Regulations Construction Permits, Transportation Planning Review and the Metropolitan Sewer District.
  - b. Encroachment permits must be obtained from the Kentucky Department of Transportation, Bureau of Highways.
  - c. The property owner/developer must obtain approval of a detailed plan for screening (buffering/landscaping) as described in Chapter 10 prior to requesting a building permit. Such plan shall be implemented prior to occupancy of the site and shall be maintained thereafter.
  - d. A major subdivision plat creating the lots and roadways as shown on the approved district development plan shall be recorded prior to issuance of any building permits.
4. A certificate of occupancy must be received from the appropriate code enforcement department prior to occupancy of the structure or land for the proposed use. All binding elements requiring action and approval must be implemented prior to requesting issuance of the certificate of occupancy, unless specifically waived by the Planning Commission.
5. The applicant, developer, or property owner shall provide copies of these binding elements to tenants, purchasers, contractors, subcontractors and other parties engaged in development of this site and shall advise them of the content of these binding elements. These binding elements shall run with the land and the owner

of the property and occupant of the property shall at all times be responsible for compliance with these binding elements. At all times during development of the site, the applicant and developer, their heirs, successors; and assignees, contractors, subcontractors, and other parties engaged in development of the site, shall be responsible for compliance with these binding elements.

6. Prior to the recording of the record plat, copies of the recorded documents listed below shall be filed with the Planning Commission.
  - a. Articles of Incorporation filed with the Secretary of State and recorded in the office of the Clerk of Jefferson County and the Certificate of Incorporation of the Homeowners Association.
  - b. A deed of restriction in a form approved by Counsel to the Planning Commission addressing (responsibilities for the maintenance of common areas and open space, maintenance of noise barriers, maintenance of WPAs, TPAs) and other issues required by these binding elements / conditions of approval.
  - c. Bylaws of the Homeowner's Association in a form approved by the Counsel for the Planning Commission.
7. At the time the developer turns control of the homeowner's association over to the homeowners, the developer shall provide sufficient funds to ensure there is no less than \$3,000 cash in the homeowner's association account. The subdivision performance bond may be required by the Planning Commission to fulfill this funding requirement.
8. The materials and design of proposed structures shall be substantially the same as depicted in the rendering as presented at the \_\_\_\_\_ Planning Commission meeting.
9. A 6 ft. high solid wood shadow box fence shall be provided along the north property line between the multi-family portion of the Ashton Park 2 project adjoining the Fountains Condominiums. This new fence shall tie into the existing Fountains Condominiums fence and shall be stained the same color as the existing fence.
10. The applicant shall install landscaping as shown on the proposed landscape plan presented at the April 16, 2015 public hearing.

**Conditions of Approval**  
**CASE NO. 14ZONE1057**  
**for Single Family Residential (Tract 1)**

1. The development shall be in accordance with the approved Preliminary Subdivision Plan. No further subdivision of the land into a greater number of lots than originally approved shall occur without approval of the Planning Commission.
2. Construction fencing shall be erected when off-site trees or tree canopy exists within 3' of a common property line. Fencing shall be in place prior to any grading or construction to protect the existing root systems from compaction. The fencing shall enclose the entire area beneath the tree canopy and shall remain in place until all construction is completed. No parking, material storage or construction activities are permitted within the protected area.
3. Before any permit (including but not limited to building, parking lot, change of use, site disturbance, alteration permit or demolition permit) is requested:
  - a. The development plan must receive full construction approval from Louisville Metro Department of Codes and Regulations Construction Permits, Transportation Planning Review and the Metropolitan Sewer District.
  - b. Encroachment permits must be obtained from the Kentucky Department of Transportation, Bureau of Highways.
  - c. The property owner/developer must obtain approval of a detailed plan for screening (buffering/landscaping) as described in Chapter 10 prior to requesting a building permit. Such plan shall be implemented prior to occupancy of the site and shall be maintained thereafter.
  - d. A major subdivision plat creating the lots and roadways as shown on the approved district development plan shall be recorded prior to issuance of any building permits.
4. A certificate of occupancy must be received from the appropriate code enforcement department prior to occupancy of the structure or land for the proposed use. All conditions requiring action and approval must be implemented prior to requesting issuance of the certificate of occupancy, unless specifically waived by the Planning Commission.
5. The applicant, developer, or property owner shall provide copies of these conditions to tenants, purchasers, contractors, subcontractors and other parties engaged in development of this site and shall advise them of the content of these conditions. These conditions shall run with the land and the owner of the property and occupant of the property shall at all times be responsible for compliance with these conditions. At all times during development of the site, the applicant and developer, their heirs, successors; and assignees, contractors, subcontractors, and other parties engaged in development of the site, shall be responsible for compliance with these conditions.
6. Prior to the recording of the record plat, copies of the recorded documents listed below shall be filed with the Planning Commission.
  - a. Articles of Incorporation filed with the Secretary of State and recorded in the office of the Clerk of Jefferson County and the Certificate of Incorporation of the Homeowners Association.
  - b. A deed of restriction in a form approved by Counsel to the Planning Commission addressing (responsibilities for the maintenance of common areas and open space, maintenance of noise barriers, maintenance of WPAs, TPAs) and other issues required by these binding elements / conditions of approval.
  - c. Bylaws of the Homeowner's Association in a form approved by the Counsel for the Planning Commission.
7. At the time the developer turns control of the homeowner's association over to the homeowners, the developer shall provide sufficient funds to ensure there is no less than \$3,000 cash in the homeowner's association account. The subdivision performance bond may be required by the Planning Commission to fulfill this funding requirement.
8. The developer shall install MUTCD compliant end-of-road barricades and signage to prohibit traffic from accessing the stub streets prior to any construction approval. The stub streets shall be open to the development upon completion of the final asphalt surface and prior to subdivision bond.
