Dear Cindi,

On Friday, September 20, 2024, beginning at noon with a shotgun start, at Iroquois Golf Course, Mary & Elizabeth (M&E) Hospital will host "The Classic" Golf Scramble. The return of this annual tradition will provide our physicians, care providers, and leadership with an opportunity to connect with community and business leaders, while raising money to advance our mission through a fun-filled day on the course.

Mary & Elizabeth (M&E) Hospital is a 298-bed, full-service hospital which has served generations of patients in South Louisville. Originally founded by the Sister's of Charity of Nazareth in 1874, M&E offers a full range of services to thousands of patients annually.

Since becoming CEO of M&E in 2020, I have strived to promote community health and rebuild women's services. Proceeds from the 2024 "The Classic" golf scramble will allow us to continue this work and benefit M&E's women's services with a new Birthing Place. Now, more than ever, UofL Health – Mary & Elizabeth Hospital seeks the support and partnership of community leaders like you to meet this critical and growing need. By supporting our efforts, you are helping to keep healthcare local and accessible to the families of South/Southwestern Louisville.

Please consider joining us that day and becoming a sponsor. Sponsorship allows you to directly promote women's health/Birthing Place and provides an opportunity to connect with the leaders of our organization while being a visible partner to our staff and clinicians. In addition, your sponsorship will ensure that our incredible and dedicated clinical staff feel appreciated by making their participation in the scramble free of charge – and surrounding them with community support.

You can make a tangible difference in the lives of our patients and staff! Enclosed please find the sponsorship proposal and form. If you are interested in learning more or have questions, please contact my colleague in development and our event coordinator, Jon.Pollock@uoflhealth.org.

Thank you in advance for your care and consideration – I hope to see you on the course!

Sincerely,

Melisa Adkins, EJD, MBA, BSN, RN
