Per your proposal for needed capital improvements in Cherokee Park, I am pleased fund the following projects:

- 1) Model 2900 Track Stump Grinder (\$73, 700 has been paid)
- 2) \$7,500 – \$25,000 for new tree planting (amount, date, and specific location to be determined)
- 3) \$20,000 for gravel or rocks to correct erosion problems and off street parking areas (payment when work is scheduled)

Thanks for letting me be part of these needed improvements in Cherokee Park.

Regards, Henry
