

1. The development shall be in accordance with the approved district development plan, all applicable sections of the Land Development Code (LDC) and agreed upon binding elements unless amended pursuant to the Land Development Code. Any changes/additions/alterations of any binding element(s) shall be submitted to the Planning Commission or the Planning Commission's designee for review and approval; any changes/additions/alterations not so referred shall not be valid.
2. The development shall not exceed 5,350 square feet of gross floor area for 436/438 Roberts Ave. The development shall not exceed 6,400 square feet of gross floor area for 440/448/450 Roberts Ave. The development shall not exceed 2,350 square feet of gross floor area for 452 Roberts Ave.
3. No pennants, balloons, or banners shall be permitted on the site.
4. Construction fencing shall be erected when off-site trees or tree canopy exists within 3' of a common property line. Fencing shall be in place prior to any grading or construction to protect the existing root systems from compaction. The fencing shall enclose the entire area beneath the tree canopy and shall remain in place until all construction is completed. No parking, material storage or construction activities are permitted within the protected area.
5. Before any permit (including but not limited to building, parking lot, change of use, site disturbance) is requested:
 - a. The development plan must receive full construction approval from Develop Louisville, Louisville Metro Public Works and the Metropolitan Sewer District.
 - b. The property owner/developer must obtain approval of a detailed plan for screening (buffering/landscaping) as described in Chapter 10 prior to requesting a building permit.
 - c. A minor plat or legal instrument shall be recorded consolidating 436/438 Roberts Avenue into one lot and 440/448/450 Roberts Avenue into one lot. A copy of the recorded instrument shall be submitted to the Division of Planning and Design Services; transmittal of the approved plans to the office responsible for permit issuance will occur only after receipt of said instrument.
 - d. A Tree Preservation Plan in accordance with Chapter 10 of the LDC shall be reviewed and approved prior to obtaining approval for site disturbance.
 - e. A reciprocal access and crossover easement agreement in a form acceptable to the Planning Commission legal counsel shall be created between the adjoining property owners and recorded. A copy of the recorded instrument shall be submitted to the Division of Planning and Design Services; transmittal of approved plans to the office responsible for permit issuance will occur only after receipt of said instrument.
6. There shall be no outdoor music (live, piped, radio or amplified) or outdoor entertainment or outdoor PA system audible beyond the property line.
7. The applicant, developer, or property owner shall provide copies of these binding elements to tenants, purchasers, contractors, subcontractors and other parties engaged in development of this site and shall advise them of the content of these binding elements. These binding elements shall run with the land and the owner of the property and occupant of the property shall at all times be responsible for compliance with these binding elements. At all times during development of the site, the applicant and developer, their heirs, successors; and assignees, contractors, subcontractors, and other parties engaged in development of the site, shall be responsible for compliance with these binding elements.
8. No idling of trucks shall take place within 200 feet of single-family residences. No overnight idling of trucks shall be permitted on-site.
9. The materials and design of proposed structures shall be substantially the same as depicted in the rendering as presented at the December 1, 2016 Planning Commission meeting.
