Khalil,

Below is the estimate for the gym floor mat you requested to know the additional funding needed for our gym.

The Major was asked by Officers for a large fan and wasn't sure if that could be included? I told him I would forward all of the information to you. I explained that you were going to be working on an NDF and the 3rd Division Gym account is still open if the funds could go straight to that. The OMB office was going to close it, but it would be easier to utilize if your donation was in there for purchasing.

I am leaving at 2:45p today and will be back Monday morning! I wanted to get this out to you before I left!

I hope you have a great weekend!!!!

Thanks again for all that you do for us and for all of your support!!!
