programs in Guatemala and the Dominican Republic. For example Auburn  
University sent 12 volunteers to SFP's Community of Peace of El Quimal,  
Guatemala. Together with Guatemalan staff, volunteers and community  
members, they completed the first phase of a construction project  
focused on building three new classrooms in the community. This was  
part of the community's eight-month plan to increase educational  
quality through more and improved school facilities.

## General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

### Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

**Note.** If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

**Definition of a U.S. person.** For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

**Special rules for partnerships.** Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

The person who gives Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States is in the following cases:

- The U.S. owner of a disregarded entity and not the entity,

**Independent Auditors' Report**

Board of Directors  
Service For Peace, Inc.  
Bridgeport, CT

We have audited the accompanying financial statements of Service For Peace, Inc. (a non-profit organization) which comprise the statements of financial position as of September 30, 2014 and 2013, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

**Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

**Auditors' Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Service For Peace, Inc. as of September 30, 2014 and 2013 and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

**SERVICE FOR PEACE, INC.**  
**SUMMARY OF ACCOUNTING POLICIES**  
**Years Ended September 30, 2014 and 2013**

The summary of significant accounting policies of Service For Peace, Inc. (a non-profit organization) is presented to assist in understanding the Organization's financial statements. These policies conform to accounting principles generally practiced in the United States. The financial statements and notes are representations of the Organization's management, which is responsible for their integrity and objectivity.

**Nature of Organization**

Service For Peace, Inc. ("the Organization") was incorporated on February 13, 2002 in the State of Delaware as a not-for-profit organization, and is exempt from the payment of income taxes on its activities under Section 501(c)(3) of the Internal Revenue Code. The Organization evaluated its tax positions and determined that its positions are more likely than not to be sustained on examination. The Organization's 2011 through 2013 tax years are open for examination by the IRS. The Organization was organized to promote volunteerism at the community level. Through service projects and educational seminars, training is provided to upcoming community leaders to use volunteerism as a means of promoting good citizenship and peace between people of different races, faiths and nationalities. The Organization's goal is to create a worldwide movement of selfless service.

**Financial Statement Presentation**

The Organization's financial statements are presented in accordance with the provisions of Financial Accounting Standards Board (FASB) Accounting Standard Codification (FASB ASC) 958-605, Accounting for Contributions Received and Contributions Made, and FASB ASC 958-205, Financial Statements of Not-for-profit Organizations.

FASB ASC 958-205-05 requires that the various funds be categorized to the existence or absence of donor-imposed restrictions. Accordingly, net assets and changes therein are analyzed and reported as unrestricted net assets – net assets that are not subject to donor-imposed restrictions, temporarily restricted – net assets subject to donor-imposed restrictions, or law that may be met by actions of the Organization and/or the passage of time and permanently restricted – net assets subject to donor-imposed restrictions requiring that they be maintained permanently by the Organization. For the years ended September 30, 2014 and September 30, 2013, the Organization does not have any donor imposed permanently or temporarily restricted net assets.

FASB ASC 855, Subsequent Events, was issued in May 2009. FASB ASC 855 establishes general standards of accounting for and disclosures of events that occur after the balance sheet date but before financial statements are issued or are available to be issued. It requires the disclosure of the date through which an entity has evaluated subsequent events and the basis for that date, that is, whether that date represents the date the financial statements were issued or were available to be issued. The Organization adopted FASB ASC 855 as of September 2009.

**SERVICE FOR PEACE, INC.**  
**SUMMARY OF ACCOUNTING POLICIES - CONTINUED**  
**Years Ended September 30, 2014 and 2013**

**Basis of Accounting**

The accompanying financial statements have been prepared using the accrual basis of accounting. Revenue is recognized when earned and expense when the obligation is incurred.

**Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America as per guidance of the newly implemented Accounting Standard Codification FASB ASC 958 "Not for Profit Entities" requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

**Cash and Cash Equivalents, and Credit Risk**

For purposes of the Statement of Cash Flows, the Organization considers all unrestricted highly liquid investments with an initial maturity of three months or less to be cash equivalents. The Organization's cash investments are placed with high credit-quality financial institutions and may exceed the amount of federal deposit insurance.

**Property and Equipment**

Property and equipment are carried at cost. All equipment costing \$1,000 or more has been capitalized. Depreciation of all capitalized assets is computed by the straight-line method over estimated useful lives.

**Contributions Receivable**

Contributions receivable primarily consists of special event receivables and short-term promises to give from donors. Management periodically reviews the status of all receivable balances for collectability, which is assessed based on management's knowledge of the donor, the Organization's relationship with the donor, and the age of the receivable balance. As a result of these reviews, receivable balances for which collection is deemed doubtful are charged to bad debt expense.

**SERVICE FOR PEACE, INC.**  
**SUMMARY OF ACCOUNTING POLICIES - CONTINUED**  
**Years Ended September 30, 2014 and 2013**

**In-Kind Contributions**

Recorded Amounts: in-kind contributions of goods, services, and facilities used for operations or special events are recognized as in-kind contributions in accordance with generally accepted accounting principles.

Donated goods used at special projects are included in supply expense reported for the service project and donated services are included in payroll, professional fees, service and travel expense. Donated services are recognized at fair value if the services (a) create or enhance non-financial assets or (b) require specialized skills, are performed by people with those skills and would otherwise have been purchased by the Organization

Unrecorded Amounts: the Organization relies on contributions of both time and expertise from its pool of volunteers. In particular volunteers work on the Organization's programs and fund raising activities. The volunteers donated hundreds of hours of service, the total value of which cannot be easily calculated or estimated, yet these volunteers contribute significantly to the work, impact, and success of Service For Peace, Inc. The financial statements do not reflect the value of those contributed services because no reliable basis exists for determining an appropriate amount and the services do not meet the criteria necessary for recognition.

**Expense Allocation**

The costs of providing various programs and other activities have been summarized on a functional basis in the Statement of Activities and the Statement of Functional Expenses. General and administration expenses include those expenses that are not directly identifiable with another specific function but provide for the overall support and direction of the Organization.

**Subsequent Events**

Management has evaluated subsequent events through February 5, 2015, which is the date the financial statements were available to be issued.

**SERVICE FOR PEACE, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**Years Ended September 30, 2014 and 2013**

	<u><b>2014</b></u>	<u><b>2013</b></u>
Audiovisual equipment	\$ 2,287	\$ 2,287
Office equipment	<u>12,364</u>	<u>10,171</u>

**NOTE B – FEDERAL FUNDS GRANT**

In September 2011 the Organization received a three year grant of \$160,000 per year from the Corporation for National and Community Service (CNCS), for the period September 2011 through August 2014. The grant is for the Organization's Martin Luther King Jr. Season of Service Program. This was the third three-year grant the Organization has received from CNCS. The prior three year grant was for \$97,500 per year, for the period September 2008 through August 2011.

These are federal funds under CFDA #94.007. The grants are authorized by the National and Community Service Act of 1990, as amended, in support of national service programs. The Organization serves as a lead agency providing grants and support to communities throughout the nation. The grant requires that at least 70% of total project expense come from other sources. In-kind donations are permitted, and in-kind donations received by sub-recipient organizations and not recorded on the Organization's books are counted towards the matching requirement.

The Organization received \$160,000 from CNCS during its fiscal year ending September 2014, for its January 2014 Season of Service events. During this same period the Organization and its sub-recipient partners received matching contributions, mostly non-cash, totaling \$445,838. The matching contributions received were thus 74% of total project expense. These contributions supported MLK service programs in fourteen states in 2014.

The Organization received \$160,000 from CNCS during its fiscal year ending September 2013, for its January 2013 Season of Service events. During this same period the Organization and its sub-recipient partners received matching contributions, mostly non-cash, totaling \$472,803. The matching contributions received were thus 75% of total project expense. These contributions supported MLK service programs in thirty communities and fifteen states in 2013.

The Organization received services with an approximate fair value of \$111,826 and \$97,350 in the years ending September 30, 2014 and 2013, respectively. These amounts are included in contributions and expenses in the statements of activities.
