## OBJECTIVE

To use my outreach and community relations skills to tell my employers' story and communicate the importance of their work.

## SKILLS & ABILITIES

Public speaking, community engagement, education, internal and external communications, team leadership, strategic thinking

## EXPERIENCE

### LOUISVILLE WATER

June 2009-Present

Manager, Community Relations

Lead a team to provide education and outreach to customers. Help to tell the story of water and the people who make it.

### LOUISVILLE WATER

August 2006-June 2009

Education Contractor

Delivered education and outreach to schools and community organizations with water as the teaching focus.

### LOUISVILLE METRO GOVERNMENT

November 1997-June 2006

Health Educator

Delivered health education programming in the community.

## EDUCATION

### UNIVERSITY OF LOUISVILLE

LOUISVILLE KY/ BACHELOR OF ARTS, 1993

## COMMUNICATION

Help lead internal and external communications. This includes outreach to various audiences, from the youngest to oldest customers and water users.

## LEADERSHIP

I manage the outreach team, directing the work of staff to help meet strategic goals.
