REQUEST

Conditional Use Permit to allow a short term rental of a dwelling unit that is not the primary residence of the host (Land Development Code (LDC) 4.2.63).

CASE SUMMARY / BACKGROUND

The applicant proposes to conduct short term rental of a residence on the site. As it is not the primary residence of the host, a Conditional Use Permit is required.

The site is located on the north side of E. Washington Street between Cabel Street Street and Webster Street. It is in the R-6 Residential Multi-Family Zoning District and Traditional Neighborhood Form District and is surrounded by R-6, R-7 Residential Multi-Family, C-1 Commercial, C-2 Commercial, C-3 Commercial, M-3 Industrial, and EZ-1 Enterprise Zone properties. There is a principal structure that is the primary residence of the applicant and an accessory structure with a garage on the first floor and a dwelling unit on the second floor; the applicant is only proposing to use this dwelling unit as a short term rental.

PVA lists the existing structure as a single-family residence. The applicant has shown that there is one bedroom in the accessory structure. LDC standards credit the site with two on-street parking spaces and there is space to accommodate two vehicles in the garage (the principal structure use is also using these spaces). In addition, there appears to be available parking in the area.
