Hi Mr. Chesler.

I’m writing you concerning the case no. above. My neighbors and I attended a meeting held on July 20, 2023. The neighborhood was very concerned about the security of the neighborhood. We all voiced that opinion. We also figured it was already a DONE deal. The applicants are in it to make money. We are not stupid.

Is there anything else we can do about this matter? We also want to be kept advised on whats going on.

Thank you concerning this matter.
