Good morning, Wendy,

We have reviewed the Home Depot Westport Rd plan dated 01/28/25 you sent for comments. We find the plan acceptable and in conformance with previous fire department recommendations. We see no problems with moving forward with the project at this time.

If you have any questions, please don't hesitate to contact me.

Thank you,

Hello Major Stephen,

I wanted to reach out as there has been a revised plan submitted for the outdoor storage at Home

Depot. I attached the most recent revised plan submitted.

Please review the attached and let me know if you have any comments. I am making sure this complies with all fire codes, it appears that there are still items in the fire lane in front of Home Depot. Is this okay?

Before I put this back at a hearing I wanted to make sure that AMFEMS is okay with the plan.

Best,

Molly Clark
