**PART III.  
GENERAL PROVISIONS**

- A. The Chief Financial Officer may increase any project, authorized by this ordinance, by the lesser of five percent or \$50,000 through the transfer of funds not required in another project or projects within the same department in this ordinance or other prior annual Louisville Metro, City of Louisville and Jefferson County Fiscal Court Capital Budget ordinances, unless those funds were originally appropriated from Capital Infrastructure Fund or other council designated funds for projects added to the Mayor's Recommended Budget by the Metro Council. The Council shall be informed of the transfer(s) in the written quarterly financial updates presented by Office of Management and Budget.
- B. In the event non-city receipts or match funds are received in greater amounts than those listed for any project herein, those additional funds may be authorized for expenditure for the specific project, only with the authorization of the Chief Financial Officer and approval of the Mayor; overall project scope shall not significantly change without Metro Council approval.
- C. Upon project completion, as determined by the Chief Financial Officer, any unexpended funds shall lapse to the fund from which they were appropriated; however, all unused allocations from Capital Infrastructure Fund projects or project 2 contained herein titled Council Designated Projects shall be returned to the Council Member's unallocated Capital Infrastructure Fund or Republican Pooled Unallocated CIF or transferred by ordinance to another capital project determined by the Council member or Republican Caucus.
- D. The funds collected pursuant to Ordinance 66, Series 2006 pertaining to the System Development Charges for Roadways shall be transferred from the Capital Cumulative Reserve Fund in an amount up to \$1,181,861.61 if sufficient revenue is recognized in order to transfer that amount, into the Debt Service Reserve Fund for net debt service payments representing a pro-rata amount of the \$104,525,000 of bond principal issued pursuant to Ordinance 168, Series 2009. Funds collected in excess of the annual debt service shall be restricted for future bond or road development in accordance with the System Development Charge Ordinance. System Development Charges collected, matching Louisville Metro funds, and/or bond proceeds shall be spent on improvements to designated public roadways within the Transportation Benefit Districts in approximate proportion to the funds collected by Zone.
- E. For the Louisville Metro Police Department, funding adjustments from Federal and State Forfeiture Funds shall become eligible to be budgeted within the Federal and State Forfeiture Projects contained herein, respectively, upon appropriate recognition of the revenue.

- F. Funding provided to Public Works & Assets as follows may be budgeted for expenditure in Fiscal Year 2023-2024 as it is received and for the purpose specified: from Homeowner Association matching receipts to Council Capital Infrastructure Funds for the installation of speed humps; as part of a Binding Elements Agreement or Performance Land Development compliance related to land use and development; and Developer receipts for sidewalk construction as a fee-in-lieu in accordance with Council District direction.
- G. For Facilities and Fleet Management, funding adjustments from the Administrative Office of the Courts (AOC) shall become eligible to be budgeted upon notification of funding provided by the AOC.
- H. The Office of Housing & Community Development HOME and CDBG funded forgivable loans may be excluded from Metro Code of Ordinances 39.191, allowing the Department to grant HOME and CDBG forgivable loans in excess of \$150,000.
- I. All questions which arise in interpreting any appropriation in this ordinance as to the purpose and manner for which each appropriation may be expended shall be decided by the Chief Financial Officer in accordance with policy intentions as considered and approved by the Metro Council as reflected in the Capital Budget Document project narrative. Overall project scope shall not be significantly changed without Metro Council approval.
- J. All proceeds from the sale of real property declared surplus by the Metro Council shall be subject to appropriation by the Metro Council for capital project purposes. Sale of such items shall be reported to the Council with quarterly reports.
- K. Capital projects involving agreements with the Kentucky Transportation Cabinet appropriated herein or in prior ordinances or resolutions are hereby specifically authorized to proceed with regard to Memorandums of Agreement or Understanding related to design, right-of-way acquisition, utility phases, and construction along with any other related actions necessary to complete the appropriated capital project. This Ordinance fulfills the Resolution requirement from the Commonwealth of Kentucky Transportation Cabinet by further recognizing the authority granted by KRS 67C.105(5)(h) for the Mayor to enter into the types of agreements above listed in this section.
- L. Funding provided to Economic Development as follows may be budgeted for expenditure in Fiscal Year 2023-2024 as it is received and for the purpose specified pursuant to Ordinance 68, Series 2010: Developer receipts to the Louisville Public Space Art Fund as a fee-in-lieu as outlined in Section 5.12.1, item 3 of Louisville Metro Land Development Code.
- M. For Economic Development, funding adjustments for repayments to the METCO loan program shall become eligible to be budgeted upon receipt.
- N. For the Office of Housing & Community Development, funding adjustments for repayments to the Louisville CARES loan program shall become eligible to be budgeted upon receipt.
- O. For Metro Animal Services, funding adjustments for fees collected by Metro Animal Services shall become eligible to be budgeted upon receipt as outlined in Louisville Metro Code of Ordinances Section 91.009 (C).
- P. Funding provided to Parks & Recreation may be budgeted for expenditure in Fiscal Year 2023-2024 as it is received and for the purpose specified pursuant to Ordinance 50, Series 2020: Developer receipts to the Tree Fund as a fee-in-lieu as outlined in Section 10.1.3 of the Louisville Metro Land Development Code.
- Q. New departments and offices have been created or transferred from existing departments or offices in this ordinance and will be part of Metro Government's organizational structure effective July 1, 2023. Any previously appropriated capital project within the scope of the new department or office will be administered by the new department or office. The capital projects may be reassigned to the new department or office through the financial system at a later date. All questions that arise as a result of these budgetary transfers shall be decided by the Chief Financial Officer in accordance with the previously approved legislation by the Metro Council.
- R. Authorization to rename previously appropriated projects listed under Part IV. below are approved under this Ordinance.
