Good evening,

Please address the below items by Monday, August 28, 2023. Thank you.

D12 is the primary sponsor of O-144-23 and D14 added to the NDF sponsor amount. D12 is having the Ordinance amended to withdraw its \$5,000 sponsorship. It's my understanding D14 is still sponsoring \$12,200 toward this NDF.

Sonya, will D14 automatically become the primary sponsor for this NDF item?

Heather, please provide a brief explanation of why O-144-23 is being amended and state that D12 is withdrawing its \$5,000 sponsorship to O-144-23. Thank you.

Thank you

Subject: Rose Farm Park

Good afternoon, Jeff. I have a question for when you return. We have found out Parks has been taking care of Rose Farm Park. I talked with them, and they will cut the grass and weed eat around structures. They will spray for weeds on gravel, but it may only be once or twice this summer. They go by daily to pick-up the trash as well. I have contacted Peewee's Tree Service to let him know that we do not need his services anymore. Is there a contract in place that we have to get out? I just wanted to check. We do not need to pay them if Parks is doing the work already. If we can get out of this, how do we go about getting the unused money back that we allotted for this?

Thanks,

Heather

We need \$12,200 to go to the account adding \$999 already they're bringing total from now through 6/30/24 to \$14,199. That would include \$3900 spring cleanup & mulch plus mulch this fall & in spring of 2024. It covers 29 cuttings through June /24"

Direct the funding acceptance to Jeff Brown. Hopefully you can get this done before you leave for the day. I would suggest D12 do 29 cuts that gets us through 6/2024. \$150 x 29. Theirs would also include mulch according to the amount they have in their proposal. This years mulch, this fall and next spring equals 3 mulchings x \$????

Thx

They are going to use Pewee. It'll will be the same as if you are appropriating to Public Works. Lorri finally has the help she needs and I'm confident she can get it done. I'll stay involved but it's cleaner to appropriate to brightside

They are still looking for a cost center we can use in one of the D 14 accounts.

Jeff,

CM Blackwell nor I want to have a contract with Brightside. I do not want the mark up charged to my office for services that I went out and secured. The whole reason I went with a separate/private contractor was because Brightside did a terrible job! Please tell me I can still go through you! Or have you been told to stand down? I just need to get PeeWee out to the sites to do the work

& it seems like that's an issue. Please advise.

Thanks Jeff!

Pewee Tree Service would like to be considered for the spring cleanup maintenance for the Bright Sites located at Dixie and Gene Snyder, east and west. The scope of work is as follows:

Pick up all trash, spray all walkways with vegetation killer, pull all weeds in flower beds, cut all dead out of perennials, cut/trim all dead wood from shrubs, (there is extensive winter damage to most all large shrubs and rose bushes (18); some are dead) remove dead bushes or trees from landscapes and mulch all beds using hardwood mulch, 3 inches deep:

\$5500

Maintenance of all beds will be a part of the 10-day grass cutting cycle after this initial cleanup.

Fall Mulching with hardwood Mulch, 3 inches deep:

\$900

Cindy

We need \$12,200 to go to the account adding \$999 already they're bringing total from now through 6/30/24 to \$14,199. That would include \$3900 spring cleanup & mulch plus mulch this fall & in spring of 2024. It covers 29 cuttings through June /24"

Direct the funding acceptance to Jeff Brown. Hopefully you can get this done before you leave for the day. I would suggest D12 do 29 cuts that gets us through 6/2024. \$150 x 29. Theirs would also include mulch according to the amount they have in their proposal. This years mulch, this fall and next spring equals 3 mulchings x \$????

Thx

Hey Cindi,

How much are we doing our part of the NDF? I see in the invoices clean up is \$5,500.00 (It looks like that does not include cutting grass)

I see \$900 for fall mulching

DocuSign Envelope ID: 9722D086-6E1D-4866-A3A8-442BBC799383 , , in). How many times will they cut for this summer/fall 10-12 times. Do I need to add that in?
Please give me a number.

Do you have a person that will be in charge of the money?

Did you sign the 2 DocuSigns Flood's office and Blackwell's office

Probably going to give the NDF to Heather.

They are going to use Pewee. It'll will be the same as if you are appropriating to Public Works. Lorri finally has the help she needs and I'm confident she can get it done. I'll stay involved but it's cleaner to appropriate to brightside

They are still looking for a cost center we can use in one of the D 14 accounts.

Jeff,
CM Blackwell nor I want to have a contract with Brightside. I do not want the mark up charged to my office for services that I went out and secured. The whole reason I went with a separate/private contractor was because Brightside did a terrible job! Please tell me I can still go through you! Or have you been told to stand down? I just need to get PeeWee out to the sites to do the work
& it seems like that's an issue. Please advise.
Thanks Jeff!
Cindi
