**Summary of testimony of those in favor:**

01:34:34 Jon Baker spoke on behalf of the applicant. Baker stated the applicant is willing to work with the local fire department to address any fire concerns for the site. The applicant is looking to address the easement and the potential curb cut to the property, as well as making sure the easement is not blocked and provides adequate access per the language of the easement.

Commissioner Carlson thinks the language in the proposed binding element could be changed to be more enforceable for the fire department.
