Molly – see below. You will need to call him as he presented some questions. I don't know if I would email a response on how to stop something.

Comments *	Hello Ms. Molly Clark: I live near the intersection of Old Henry Road and Factory Lane, in Brookview Estates. My neighbors and I are concerned about the noise and odor that will be created if a "Commercial Kennel" is constructed across the street from us. Please let me know what we should do to stop this Zoning Adjustment. Thank You, and have a nice day.
