Homeless Services Division FY25 Budget

General funds that support Homeless Services Division.

HSD Operations includes:

- **Encampment Response**– public reports of encampments via Metro 311 receive multi-factor risk assessment on the site. *See detailed report, page 4*
- **Street Outreach** – Homeless Resource Outreach Specialists connect individuals in crisis with services. *See detailed report, page 5*

*Homeless Initiative Funds for Partners

- Inclement Weather Programs, Overnight Shelter, and Case Management are direct client services provided by partner organizations. *See detailed report, page 3*

Other FY25 Homeless Funding

These programs are funded outside of the HSD budget but provide collaborative services.

External Agency Funds for Partners

EAF utilizes general funds to provide grants to non-profits that serve the unhoused.

**This program received an additional \$1.2M in funding from the Opioid Settlement*

Federal Housing & Urban Development Funds for OSS

These HUD grants fund Permanent Supportive Housing programs through OSS.
