Metro Council

Dear Councilwoman Chappell:

In 2006, without warning, I suffered a spinal cord stroke that left me a paraplegic and a wheelchair user. I founded Gathering Strength in 2018 to empower people with disabilities to achieve better health, increase self-sufficiency, and become more engaged in the community.

On Saturday, July 19, 2025, Gathering Strength is hosting its first annual Adaptive Recreation Showcase. Adaptive recreation empowers people with disabilities to participate in sports and recreation through the use of modified equipment and rules.

The Craig H. Neilsen Foundation is our anchor sponsor. **We need the support of business leaders like you to make the Showcase a complete success.** Your sponsorship will:

- Improve the physical and mental health of people with disabilities.
- Provide attendees with free access to transformative activities and resources.
- Expand awareness of adaptive sports and their life-changing impact.

Disabling injuries and conditions too often lead to poorer health outcomes, isolation, lower employment, and dependence. The good news is that engagement in sports, recreation, and leisure activities has been shown to improve physical and emotional wellbeing, increase self-esteem and independence, and inspire hope for the future.

Call volunteer Mary Anne Tinnell 502.819.1295 (celebratelife.mary@aol.com) or email hello@gatheringstrength.org to join us in creating a day of inspiration, empowerment, and connection.

With Gratitude,

Good Morning,

So far Councilwoman Parker, Councilman Reno-Weber have said they will participate with you for the Gathering Strength Adaptive Recreational event on July 19th. Betsy Ruhe had questions which I have answered. I will send you a paragraph about Gathering Strength when you go before the committee. WOO HOO!

Thank you.

Do you anticipate getting to a specific level of sponsorship? As of right now, D15 is at a Silver Level Sponsor, but the amounts expected from the other districts aren't listed. We just want to be sure it is one of the Sponsor Levels to not have to split the amount (I see in her request it was for \$5,000, but if you got \$3,000- you would have to do one Gold Level and one Bronze Level.)

Hi Jennifer,

I didn't mean for you to meet with council members. When Cindi Fowler helped me with Mary & Elizabeth Birthing Center, she went to a city council meeting and asked for each members' support. Those who wanted said how much they would donate, etc.

I'm going to write to each of the council members and ask for their support and tell them we have your support. Sorry I was unclear! I tend to do that! LOL

Thank you!

Hi Representative Chappell,

I retired from Mary & Elizabeth Hospital last June and began volunteering for **Gathering Strength**, a wonderful organization that helps wheelchair individuals continue to live their best life. As we know, a lot of them have had accidents, gunshot wounds, medical conditions that caused them to be in a wheelchair for the rest of their lives.

I met Liz Fust when I worked for UofL Health Philanthropy and raised money for Frazier Rehab events. She is a powerhouse and a heroine. She founded **Gathering Strength**, and has done remarkable work by advancing health outcomes, community engagement and independence for people with disabilities. In 2024 Gathering Strength empowered over 1,387 participants in free, online exercise and financial classes. She never stops thinking of how to help others!

This event is in your area at UofL Student Activities Center. This is a perfect opportunity for Metro Louisville's participation at our first **Gathering Strength Adaptive Sports Showcase** to be held on Saturday, July 19th from 10 am to 4 pm. Can you take to a Metro Council meeting and see if any of the other council members will assist in this donation? **I would ask for a \$5,000 donation**. Attached is all the information.

Thank you.

Hi, LaTonya,

Since this event is free to the public to attend, I didn't think the list was necessary. My reading of the "complementary table" was more of a space to promote our office and interact with the attendees. I don't know if anyone from our office will be able to attend regardless, so we can also let the sponsor know that the table can be used for another vendor. Let me know if you have any questions or need anything else.
