Good Morning Amy,

LG&E just informed me that the individual who creates the contract is out today and will be in on Monday. However I was able to get them to provide me what will be the contract number so that you can submit your paperwork for NDF funding. Please include WR# 7624541 in the NDF description.

Thank you,

Yes, we will pay the remaining balance. I will put forward the NDF for our next new business deadline. Can you confirm that you are able to accept \$508 in NDF funds for this lighting request.

Thanks for your help with this!

Good afternoon Amy,

Upon further review here I see that a portion of the fee has already been transferred to us for this lighting request. We are still short the cost of the pole that is required in order to set one of the lights. Can you confirm that you will submit the new NDF for the remaining amount of \$508.60? I need this confirmation in order to ask LG&E to proceed with the request.

$\$1671.60 - \$1163.00 = \$508.60$

Thank you,

Good Afternoon Amy,

I have this slated for follow up with LG&E today. From the information I have, it looks like LG&E provided the estimate of \$1,671.60 that I don't show record of having been confirmed by the District 15 office. As a result of this break in the process, LG&E did not proceed with finalizing the contract.

All I need at this point is confirmation that you agree to the 5 year lease amount from LG&E in the amount of \$1,671.60.

Please wait to process the NDF fund request until I can provide you with the Contract # that LG&E assigns the request so it can be included in the NDF description. This is a new process that Metro is implementing to aid in tracking these lighting requests and the funds that are sent for them.

Thank you,

*Corie Ratts*
