Sonya,

Will the below email work? Or should I ask him to provide me with details for the program in a separate email thread? I also attached the flyer that explains the event.

Thanks,

Ashkan,

The \$500 was intended to sponsor/support the event itself which includes many budget items including the purchase of school supplies and backpacks which will be given out to the school-age children that attend. We gave out over 200 backpacks filled with school supplies last year.

Rich,

Please see the Clerk's email below. Can you provide me with a new email description of how you will spend the fund our Office is allocating, without mentioning other programs? We need to keep the focus on Back 2 School Day program. If you want to discuss this on the phone, please call my cell at 502-296-6182.

Thanks,

Ashkan

Ashkan,

The email provided by Rich should not include the statement about the Young Brilliant Achievers program because you've noted on the first page of the packet the funding is for the Community Day

Back 2 School Bash. Please have him provide an email that does not state that funding will also be going elsewhere.

Thanks,

Sonya
