Hey Ben,

Please see attached email that I sent to District 3 last December. I need to make you aware that the cost per speed hump is now \$4,200.00 per speed hump instead of \$3,000.00 per hump.

Whenever you have an opportunity, stop by the office, I'm on the basemen floor and as you come off the elevators take a right.

Hey, Greg,

I hope you're well! My name is Ben and I work for Councilwoman Shameka Parrish-Wright in District 3. I am reaching out to ask about a potential speed hump at the 1300 & 1400 block of Larchmont Avenue. Is there already an existing project or has there already been a study conducted?

Thank you,
