Attached is the order form that we need signed (I believe by Jennifer) to generate an invoice. Because the camera will be contracted and billed through the PD, there is no tax associated with the contract.

Hey Angela,

Sorry for the delay. I spoke with my director. Since this one will be in the name of the PD, this one will likely be worked by [@Katie Ward](#). I have looped her back in so she is aware of the request.

As far as getting the invoice switched for Notting Hills to reflect both years up front, I believe we have that tomorrow pending Cathy signing the revised billing modification form.

Looping in [@Chris Wess](#) to start looking at the camera location.

Angela - I left Trish off at the moment. Since generally the HOA signs, would Trish be okay signing on behalf of that group and is that okay with you? I understand at the end of the 2 years if they wish to continue

it would be on them. Otherwise, it might get a little sticky if the agreement is made out to the PD but we are using the HOA pricing. Also, if they continued beyond the 2 years, we would need to do a reassignment and it will be very hard to do that if it is in the PD name.

I can call to explain further if that helps.
